### Bridal Comment

*"We selected Impression Djs as our best wedding supplier because I cannot rate highly enough the contribution Russell our DJ made to our wedding. He was always courteous and polite in dealing with my husband and I, the venue and our guests, and provided invaluable assistance keeping the night on track. After the formalities were done, there was not a point in the evening that the dance floor was not heaving with guests, from the youngest right through to our grandparents - and that is a testament to Russell's fantastic music selection. Almost 2 months on we are still receiving compliments on the music from our guests, and I would not hesitate to recommend Russell and Impressions DJ's to any of my friends who are organising an event."*
